10.10am

Kick off for Years 7, 8, 9 and 10 - 35 minutes each way, penalties, no extra time

12.00pm

Presentation of trophies in the Sports Hall: all teams expected to attend – parents and spectators also welcome.

SECRETARY NOTES

The Rotherham Schools Finals Day is always the first date any student interested in football asks their PE teacher about on their return from the summer break. 'Has the draw been made?', 'When is Finals Day?', 'When's our first fixture?'. It was this enigmatic school event that, seven years ago, ultimately gave me a real sense of pride at being a small part of the competition and its history. I think I speak for everyone – from past students to coaches, referees, helpers and supporters – when I say that the Rotherham Schools Finals Day is a special date in the borough's calendar.

In recent years, Dave Walker from Wickersley School and Sports College has dedicated his time to give young footballers the opportunity to represent their schools competitively, with the support and effort of every school coach across our secondary establishments. I would like to firstly thank Dave for his hard work, commitment and passion to provide these opportunities and thank him for the trust he has shown Maltby Learning Trust to continue the outstanding work he has done with the competition. The competition would not be where it is today if it wasn't for Dave and his team.

Schools football is something for each student to be proud of and commitment to the competition does not go without hard work. Coaches across the secondaries go above and beyond to ensure weekly training sessions are delivered, fixtures are organised and students in Rotherham are given the best chances of representing their school at football. This cannot be overlooked.

I would like to say another thank you to Andy Rawlin at Wickersley for committing to host the event. It was essential that the tradition was not lost and Andy ensured that Wickersley yet again will host a fantastic finals at a superb venue. Wickersley's support alongside Maltby Learning Trust has ensured that Finals Day has continued this year and that it will continue for many years to come.

Thank you to the staff at Wath Academy, Maltby Academy and Wickersley School and Sports College who have ensured the pitches, grounds and surrounding areas are prepared, giving the students the best possible experience.

My final thank you goes to Mick Bell, who yet again has ensured that our fixtures today are looked after by three officials. I ask that everyone – supporters, coaches and parents/carers – respect the decisions made by the officials today, so that the players can showcase the best that Rotherham has to offer!

In taking the step forward of running the Rotherham School Football Competition, we have brought a new match day programme and the old tradition of celebrating the achievements of teams after the event together with an awards presentation (which will start approximately at 12.00 pm in the Sports Hall). We hope to see as many people as possible at the presentation to celebrate the players' achievements.

Good luck to the students involved in finals day today. It is an experience that will live long in the memory, regardless of the result.
